

A Word of Warning

Don't buy substitutes for MENNEN'S BORATED TALCUM POWDER. "Just as good" is only a deceit by which a dealer tries to make money out of the superiority and success of MENNEN'S POWDER. There's nothing just as good as MENNEN'S and users of substitutes and imitations risk skin, complexion and comfort in doing so.

As a protection to health use Mennen's Powder and only Mennen's.

Have you tried MENNEN'S VIOLET BORATED TALCUM TOILET POWDER? Ladies partial to violet perfume will find Mennen's Violet Powder fragrant with the odor of fresh plucked Parma Violets.

Doctored for Five Years

Here is a boy whom D. D. D. Prescription cured quickly of Eczema—and at a total cost of \$3.00—after all other remedies and many doctors had failed.

Read this letter from a grateful parent:

ZANESVILLE, O., Jan. 25th, '06.
The D.D.D. Company,
Chicago, Ill.
Gentlemen—I can truthfully say that D.D.D. is certainly a wonderful preparation for Eczema.
Our boy was troubled with Eczema for years, and we doctored with different doctors for five years, having prescribed almost all the drugs and also using many various advertised remedies when at last we were persuaded to buy a bottle of D. D. D. at the Adams Pharmacy and try it. I am very glad to say that after using three bottles of D. D. D. at \$1.00 a bottle, our boy is sound and well, and has no sign of Eczema left. People say that this quick cure after five years of untold suffering seems little short of marvelous.
Yours truly,
C. E. MOORE
Agent Wells, Fargo & Co. and Pacific Express.

We do not know who were Mr. Moore's doctors, but we do know that a great many of the best physicians have overcome their former prejudice and now advise their patients to simply get D. D. D. from the drug store at \$1.00 a bottle.

You will agree with us that credit is due these physicians for thus sacrificing the larger fees they could make by writing out their own prescriptions.

Eczema Sufferers!

Will this convince you? Or will this at least influence you enough so that you will investigate further? Investigation is all we ask. Investigation will prove to you that this pleasant external liquid—D. D. D. Prescription is based on the only scientific principle of curing the skin through the skin by killing and dislodging the Eczema germ.

The case of Herbert Moore is but one of hundreds, yes thousands. REMEMBER WE OURSELVES CAREFULLY INVESTIGATED THIS REMEDY BEFORE ACCEPTING THE AGENCY IN OUR HOME TOWN. Knowing that D. D. D. will cure any kind of skin trouble, whether a Ring Worm, Eczema, Barber's Itch, Psoriasis or other skin diseases—we have decided to recommend it in preference even to our own prescriptions.

CHARLES ROGERS,

DRUGGIST.

But we realize how many times the poor skin sufferer has paid good money for so called remedies, for smears, salves, useless ointments and harmful soaps. We do not want you to spend a cent until you are convinced; hence the offer of a LARGE SAMPLE BOTTLE FREE, prepaid—a sufficient sample to take away the itch and give indications of an early cure. Don't spend a cent at our store until you have tried the free sample and have found that you too are relieved and will be cured like all the others who doubted at first.

Get this ad out, mail it to the D. D. D. Co., Suite 112-120 Michigan Street, Chicago, and the free sample bottle will be sent at once.

JAPAN USING COTTON.

Trade With United States in Cotton Bound to Increase.

SAN FRANCISCO, August 14.—Yoshichi Sakuri has just arrived from Japan, in the interests of the cotton merchants of Japan. Speaking of the trade of the United States with Japan he says that in the next ten years Japan will get over three-fourths of her cotton from the United States.

Last year Japan used over 1,000,000 bales of cotton, and only one-fourth of that was from the United States. The rest came from the cotton fields of India and Asia. This cotton is very inferior to that which comes to Japan from the Southern States, and all the fine work is made with cotton from the United States. The other is found to be much coarser and rots easier. The Japanese realize the superiority of the American article and all first class cotton weavers are coming to use it. The export of cotton from the United States to Japan is bound to increase enormously in the next few years.

WOMEN PALL BEARERS.

NEW YORK, August 14.—A special to the Herald from Hartford, Conn., says: Michael Wyler, a machine builder, who died on Saturday, sustained his reputation as a social leader among the wealthy class of the Polish colony in this city by stipulating in his will that none but young women pall bearers should carry his body to the grave.

Wyler was buried yesterday and when the undertaker arrived at the house he was surprised to find eight young women there to act as pall bearers. Six of the girls acted in that capacity and the other two as flower bearers. The service was held in the Methodist Church and afterward the women dressed in white, bore the coffin from the church.

Stomach Troubles and Constipation.

No one can reasonably hope for good digestion when the bowels are constipated. Mr. Chas. Baldwin, of Edwardsville, Ill., says, "I suffered from chronic constipation and stomach troubles for several years, but thanks to Chamberlain's Stomach and Liver Tablets am almost cured." Why not get a package of these tablets and get well and stay well! Price 25 cents. For sale by Frank Hart, leading druggist.

RAILROAD CONFERENCE.

Railroads Will Confer Regarding Means to Fight Rate Bill.

NEW YORK, August 14.—A dispatch to a morning paper from Atlantic City, N. J., says:

There are rumors here of a coming railroad conference to consider a fight to be made against the railroad rate bill. Last night nearly a hundred lawyers, so it is said, known to represent railroad interests, arrived here and there are a score or more of railroad officials here who have arrived lately. Great secrecy is being maintained over the reports of the coming meeting and at the hotel where the delegation of lawyers arrived with a battalion of stenographers and clerks all information, as well as the names of the newcomers was refused. It is said that any meeting held will be in secret.

Herbine

Renders the bile more fluid and thus helps the blood to flow; it affords prompt relief from biliousness, indigestion, sick and nervous headaches, and over-indulgence in food and drink.

G. L. Caldwell, Agt. M. K. and T. R. R. Checotah, Ind. Ter., writes, April 18, 1903: "I was sick for over two years with enlargement of the liver and spleen. The doctors did me no good, and I had given up all hope of being cured, when my druggist advised me to use Herbine. It has made me sound and well." 50c. Sold by Hart's drug store.

VALUABLE GEMS STOLEN.

SAN FRANCISCO, August 14.—Diamonds valued, it is said, at \$6000, were stolen on August 8, from the salesrooms of Carran and Green, wholesale jewelers at 1510 Buchanan street. Two thieves secured the gems without exciting suspicion, and they were well under cover before the victims of the crime were aware of their loss. Detectives have been working on the case for nearly a week, but have not succeeded in getting a trace of the thieves. A reward has been offered by the firm for the arrest of his thieves.

WILL GO TO ENGLAND.

SAN FRANCISCO, August 14.—The Examiner says today that J. C. Stubbs, the traffic director of the Harriman system in Chicago has accepted an offer of \$70,000 a year from an English railroad corporation to go to London and handle the company's American travel. William Sproule it is said, will be appointed in his place as traffic director of the Harriman system at a salary of \$50,000 a year. Mr. Harriman, it is said, has

In the Spanish war he organized the Fourth regiment of immunes and was governor of Manzanillo. He was colonel later of the Twenty-third Regiment in the Philippines and district governor of Zamboanga.
